MOOROOKA MARLINS SWIM CLUB

The Moorooka Marlins Swim Club is an amateur swim club that aims to improve members' techniques and fitness in a family environment. The season runs from the start of Term 4 to the end of Term 1 (i.e., October to March) and includes Friday Swim Club Nights, Inter-Club Meets and other special events.

Mission Statement

The Moorooka Marlins Amateur Swim Club aims to improve members' techniques and fitness and further amateur swimming in a positive and friendly manner.

Moorooka Marlins swimwear & caps are compulsory to wear when representing 'The Club' at all inter-club swim meets.

CLUB NIGHTS

Club nights are held every Friday night, excluding Christmas School Holidays, unless cancelled due to adverse weather conditions. **Swimmers compete against their personal best times** accumulating points towards the Aggregate Points Trophy competition awarded at the end of the season. Boys and girls swim together with events graded from slowest to fastest.

All currently enrolled swimmers will be automatically nominated for their races each week unless you choose to OPT OUT. Please make sure you opt out by the Thursday night.

OPT OUT at www.moorookamarlins.com.au/nominations/

CHECK-IN PROCEDURE

Swimmers must CHECK-IN at the pool entry when they arrive at club night. Check-in opens at 5.35PM and closes strictly at 6.25PM. **Swimmers that have not checked in by 6.25PM will be SCRATCHED FROM ALL RACES.** If you are running late due to unforeseen circumstances and you do not wish to be

scratched from the meet program then you must post on our Marlins Facebook page, call or SMS the club secretary.

It is the responsibility of swimmers to confirm they have been nominated for the correct races and that their entry times are correct in the meet program. If all information is accurate then the swimmer's name will be highlighted. If any changes are required these will be noted down on the meet program and passed onto the computer committee to rectify.

QUALIFICATION

Swimmers can only swim in events they have qualified for. Once a swimmer has qualified for a new distance, they have the option not to swim the new distance but swim the old distance however only one point will be awarded. If a swimmer wishes to attempt to break a record in an old distance, they may swim in both distances but will only receive points for the greater distance.

Lloyd Hawkins' Handicap Relay

The Lloyd Hawkins' (Handicap) relay is a fun night to celebrate teams of old and new. Bring an old Moorooka Marlin swimmer along.

Personal Best Challenge

The Personal Best (PB) Challenge is an event where swimmers compete against their best time from the previous term's club night swims in each of the four strokes over 25 and 50 metres distances. A separate competition will be held for 13 metre competitors where small rewards will be given to all competitors in each of the four strokes and the first three place getters will receive a ribbon.

Swimmers can only swim in the distance in which they have a recent Club night time i.e. have recorded a Club night time in the last four months for the greatest distance qualification being 25 or 50 metres. There will be a free swim after the completion of the competition.

The top swimmer for each of the three boy and girl age groups recordings on the day their greatest percentage increase from their best Club night times for their combined four strokes will be awarded "Best Swimmer of the Day". The swimmer recording the greatest percentage increase from their best Club night time in any stroke will be awarded "Best Swim of the Day".

No points or times are allocated for these events to the Aggregate Points Competition or for the Club night compulsory qualifying times.

Sprint Championship Day

The annual Club Sprint (25m and 50m) Championships are held at the end of the season (Saturday 26 March 2022). They are open to Club members who have swum in at least 50% of Club Swim Nights since the beginning of the season (all members who joined prior to 1 January) or the beginning half of the season (new members joining after 1 January) until the close of nominations (excluding Lloyd Hawkins' Relay Night).

Swimmers compete in their age group (age on block) in any or all four strokes for the following distances:

25m for swimmers ages 9 years and under; and

50m for swimmers aged 10 years and over.

Boys and girls compete separately in each stroke however different age groups and sexes may swim in the same race to minimise the number of events on the program. Swimmers can only nominate to swim in strokes that they have swum in at least twice at Club nights during the season. The two swims in each stroke do not have to be at the distance that they swim in the Championship.

On the day, presentations are made to each first, second and third place winners for each boy and girl in each age group. Conditions apply for ties (refer to Rulebook).

The results from the day are also used to determine the Age Sprint Champions for the year; these awards are presented at the End of Season Presentation Night. Points are awarded on the following basis:

1 st Place	7 points	4 th Place	3 points
2 nd Place	5 points	5 th Place	2 points
3 rd Place	4 points	6 th Place	1 point

SWIM MEETS

Swim Meet Selection

The selection of swimmers for swim meets is based on a combination of:

- the fastest times recorded at recent club nights
- times swum at the last inter club meet
- swimmers who swim closest to fastest club times are allowed the opportunity to participate in some events in addition to relays
- the reliability of swimming to their full potential when selected
- attendance when picked in a team.

Selection will be posted on the pool notice board at least one week prior to the meets. If you are selected and cannot attend or cannot swim to your potential, or if you need to leave early or if you will arrive late, you must immediately advise the Inter-Club Team Selector so that substitute swimmers can be selected.

A great deal of time and effort is involved in selecting the Moorooka Marlins Swim Team to compete against other clubs. It is extremely important that swimmers and parents understand that, if they agree to be considered for selection and are then selected, they have a responsibility to the Club and the other team members to attend and perform to the best of their ability.

Moorooka Marlins swimwear & caps are compulsory to wear when representing 'The Club' at all inter-club swim meets.

At inter-club swim meets, swimmers are to:

- arrive at the club marshalling area 15 mins before the advertised warm up time
- be seated in the marshalling area prior to your event
- swim in the nominated events and comply with the direction of Club officials

CLUB RULES

This handbook contains several of the club rules. Please refer to the Rulebook for a full list of rules.

Club Structure

The Club is operated by volunteers and is headed by an elected committee. This elected committee is a subcommittee of the Moorooka State School Parents and Citizens Association and operates under the Club Charter. Key club rules from the Rulebook are summarised in this handbook; for a copy of the Club Charter or the Rulebook refer to the Club website: <http://moorookamarlins.com.au>

All members are encouraged to participate in the monthly Swim Club Committee meetings held at The Willow on the first Monday of each month at 7pm, unless otherwise advised. The Club Committee is elected at the AGM.

Changes to the Club's rulebook and Charter may only be made before the start of the swim season and only under conditions which ensure adequate notice is given to members and a majority decision is obtained.

Membership and Annual Fees

The Moorooka Marlins Swim Club (The Club) is open to membership for all members of the community from 4 to 17 years of age. Swimmers must be club members to participate at club nights, swim meets and championships. The annual swim club fee is \$105 per family per season. For families joining after 1 January (mid-season) the half yearly fee will be \$65. On joining and paying the club fee, a family is entitled to:

- participate in all Club activities
- a copy of the season's handbook
- a copy of the annual report via e-mail

Starts and Disqualifications

For Club nights & home inter club meet events, **the two start rule is used for 13 and 25m events and the one start rule is used for 50 m & over events.** Starting and stroke rules, as per rule 13 of the rulebook, are enforced for all ages in Championship and inter club meet events i.e. Championship & meet disqualifications will apply to all age groups. Movement on the blocks immediately before the starting signal will result in disqualification of the swimmer at the end of the swim.

When the referee observes illegal techniques, the referee will advise the swimmer of the illegal technique at the end of the race. At Club nights swimmers may be disqualified for illegal techniques obtaining only one point for that swim. Breaches of rules are mostly for incorrect touches and kicks. Where young swimmers continually breach the same rule for the same incorrect technique e.g. every week, the referee may disqualify the younger swimmer on Club nights. Thus, younger swimmers at Club nights may not necessarily be disqualified for illegal techniques. At Championships and home inter club swim meets; they will be disqualified for illegal techniques.

Conduct and Discipline by Members

ATTENTION PARENTS your children are your responsibility. Please look after them and abide by the Club rules as detailed in the rulebook.

- unnecessary movement is not permitted along the pool concourse.;
- swimmers are not permitted in or behind the time keeping area unless instructed by club officials;
- swimmers must remain within the pool complex during activities;
- running, jumping and pushing is not permitted in the pool complex;
- diving is only allowed from the deep end of the pool;
- loitering is not permitted in the change rooms; and

- swimmers under 18 years of age must be accompanied by a responsible adult for the whole of the evening ***NOT JUST DROPPED OFF AT THE POOL AND LEFT.***

Members must always obey the instruction of any Club official during Club activities. This applies at swim meets both “at home” and “away” and on Club nights. **Swimmers disobeying instructions can be withdrawn from events at the direction of the Chairperson, or in his/her absence, a nominated official.** The management committee determines the methods and systems used for conducting events and the decisions of the officials are binding on all participants.

After the referee blows the whistle for a start there should be SILENCE within the pool complex until the start signal is given. The referee will not delay any race for any swimmer who does not report to the blocks when called. Swimmers are not to hold onto pool lane ropes except for support in emergency.

NO RUNNING, PUSHING OR JUMPING AROUND THE POOL IS ALLOWED AT ANY TIME!

Internet & Social Media Policy

The Moorooka Marlins Swim Club has its own webpage www.moorookamarlins.com.au.

While members are welcome to post relevant events and positive comments on social media the club will not tolerate crude and defamatory comments or inappropriate pictures. The administrators will be asked to remove any such information and the perpetrators will be contacted by club officials. Disciplinary measures may be undertaken and any matters arising, which are deemed as illegal, will result in members being expelled. We encourage all members to be responsible when posting to the club website or other social media.

RECORDS

Two types of records are kept for the Club, Pool Records and Club Records.

- Pool Records are established for the fastest times recorded in the Club pool by any swimmer or relay team from any recognised swimming club participating in a Club event.
- Club Records are established for the fastest times recorded by a swimmer or relay team who is/are registered financial member(s) of the Club, swimming in the Club pool in a Club event.

Club and Pool records are Age groups for records for all events are determined on the swimmer's "age on block" on the day when swimming for the record. Swimmers are to apply to the Referee prior to an event to attempt a record at Club Nights provided they have achieved a time in the vicinity of or better than the existing record. **To establish a record a minimum of two times must be recorded.**
